# Key Trends and Themes for 2024 Christmas Campaign

## 1. The Power of Presentation:

Across both hospitality and care sectors, presentation matters more than ever in 2024. Seasonal garnishes (like cranberries, herbs, or powdered sugar), festive table settings, and creative plating can elevate even the simplest, most budget-friendly dishes.

## 2. Shared Experiences:

In the hospitality sector, social dining trends like buffets and sharing platters continue to dominate, as they offer great value and appeal to guests seeking communal, celebratory experiences. In care settings, pre-portioned festive meals offer similar benefits of ease, efficiency, and comfort.

## 3. Comfort Meets Indulgence:

With ongoing economic pressures, consumers in both sectors will seek indulgence in the form of comfort food—think rich gravies, roasted vegetables, and classic festive dishes with nostalgic appeal. Using seasonal ingredients and affordable cuts of meat (like turkey or chicken) makes this approach cost-effective.

### Country Range Signature Salted Caramel Ice Cream

This flavour brings a trendy, indulgent touch to dessert menus and is easy to serve as part of a festive treat for care home residents.

Page 29

## 4. Convenience Without Compromise:

In care homes and hospitals, convenience and nutrition are key, but this doesn't have to come at the cost of festivity. Ready-made items, easy-to-serve buffets, and pre-portioned meals can all feel indulgent with a little creativity in flavour and presentation.

## 5. Health-Conscious Options:

With a focus on wellness, especially in the care sector, diet-friendly alternatives—like low-sugar desserts or gluten-free mains—will continue to be a strong focus, offering indulgence without compromising health or dietary needs.

### Leathams Charcuti Antipasto

Perfect for festive grazing boards, this selection offers variety and indulgence for large groups.

### Mini Chicken Piri Piri Empanadas

# Turkey & Vegetable Soup

**SERVINGS: 12-15 PORTIONS**

## INSTRUCTIONS

- 1. Prepare the Broth:** In a large pot, heat the olive oil over medium heat. Add the onions and garlic, and sauté until softened, about 5 minutes.
- 2. Add Turkey and Stock:** Add the leftover turkey bones and pour in the stock. Bring to a boil, then lower the heat and let it simmer for 1-2 hours to extract the flavour from the bones.
- 3. Add Vegetables:** Remove the turkey bones from the pot and shred any meat left on them. Add the shredded meat and any leftover vegetables to the pot.

- 4. Simmer:** Let the soup simmer for an additional 30 minutes to allow the flavours to meld and vegetables to soften.

- 5. Serve:** Season to taste with salt and pepper. Ladle into bowls and garnish with fresh parsley or thyme.

## BLENDING OPTION FOR CARE RESIDENTS

For easier consumption, blend the soup with a hand blender until smooth. This ensures a soft texture, suitable for residents with swallowing difficulties.

## WHY IT'S GREAT

This warm, hearty soup is perfect for care settings as it provides a soft, nutritious meal that's easy to eat and full of vitamins and protein.

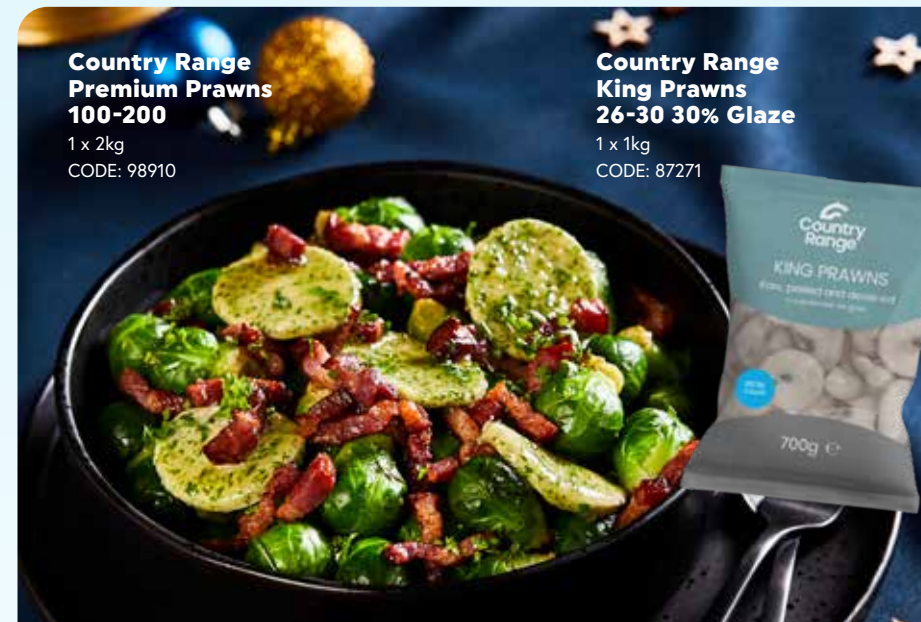

Leftover cooked vegetables, which often go uneaten, are incorporated into the soup, reducing wastage.

## INGREDIENTS

- 1kg Leftover turkey (with bones for stock)
- 1kg Leftover vegetables (carrots, parsnips, leeks, potatoes, etc.)
- 2 large onions, diced
- 3 garlic cloves, minced
- 1.5-2 litres chicken or turkey stock
- 3 tbsp olive oil
- Fresh herbs (thyme, parsley) for garnish

# Christmas Apple & Mincemeat Crumble

**SERVINGS: 12-15 PORTIONS**

## INSTRUCTIONS

- 1. Preheat the Oven:** Set your oven to 180°C (160°C fan) or Gas 4.
- 2. Prepare the Fruit:** In a large bowl, toss the diced apples and pears with the lemon juice. Stir in the mincemeat, caster sugar, cinnamon, and nutmeg.
- 3. Add Marzipan:** Fold in the diced marzipan, then transfer the fruit mixture to an ovenproof dish. Cover with foil and bake for 10 minutes.
- 4. Make the Crumble:** In a large bowl, rub the cold butter into the flour with your fingertips until the mixture resembles coarse breadcrumbs. Stir in the sugar and flaked almonds.
- 5. Assemble:** Remove the fruit from the oven and uncover. Scatter the crumble evenly over the fruit mixture.
- 6. Bake:** Return to the oven and bake for 45 minutes, or until the crumble is golden and the fruit is bubbling.
- 7. Serve:** Serve warm with custard, brandy cream, or brandy sauce.

## WHY IT'S GREAT

This comforting crumble uses festive mincemeat and soft apples that may otherwise go unused, making it a perfect dessert for care settings. The soft texture and nostalgic flavours are ideal for elderly residents.

The crumble uses basic pantry ingredients like flour, sugar, and butter, which are low-cost and typically already available in most kitchens.

## INGREDIENTS

- 850g Bramley apples, peeled and diced
- 2 ripe pears, peeled and diced
- Juice of ½ lemon
- 250g mincemeat
- 70g caster sugar
- ½ tsp ground cinnamon
- ¼ tsp freshly grated nutmeg
- 125g marzipan, diced

## For the Crumble:

- 225g plain flour
- 150g unsalted butter, diced and chilled
- Pinch of salt
- 50g caster sugar
- 50g flaked almonds
