A *Value* Range that doesn't Compromise on our *values*

We believe that value products shouldn't mean we have to compromise on our values, we are passionate about delivering quality, innovation and sustainability. This is why so we have rigorous procedures in place to ensure every single product meets or exceeds the high standards we would expect.

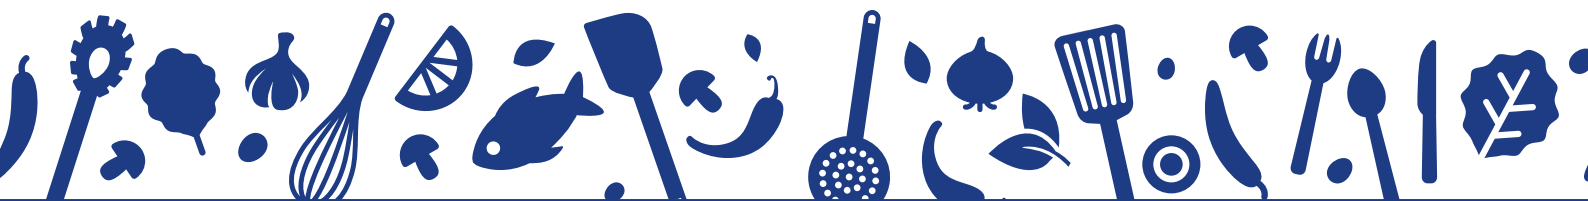

- ✓ All our suppliers are **BRC (British Retail Consortium) accredited** meaning we have complete traceability on our entire range.
- ✓ All of our products include legal labelling to **clearly show nutrition, ingredients and allergen information**.
- ✓ **No hard-to-recycle black plastic** is used in our packaging.
- ✓ **No Genetically Modified (GM) & No Hydrogenated Vegetable Oil**.
- ✓ **No aspartame or other artificial flavour enhancers** such as Monosodium Glutamate (MSG).
- ✓ **No Phosphates** are used in our raw meat, bacon and gammon.
- ✓ We only supply products with **quality welfare and provenance**.
- ✓ **We reduce unnecessary packaging** and remove all non-recyclable/non-compostable packaging.
- ✓ **No Artificial Colours**.
- ✓ We always look to **reduce salt, sugar and calories** without compromising on taste where possible.
- ✓ **No Mechanically Separated Meat (MSM)**.
- ✓ **No Added Water** is used in our freshly/frozen whole meats or products with appearance of fresh meat.
